The Premises:

I met Suzy at her apartment in Canary Wharf. It was nice but Canary Wharf in the evening is a bit deserted.

The Lady:

Suzy looks like her photos. Actually better. She's taller than I expected but she'd got a very nice body.

The Story:

Suzy was great. She let me do whatever I want and seemed to enjoy it. She is highly skilled at giving a blowjob. She charges extra for extreme deep throat, but I don't know what that would be since she went pretty as it was.

I was happy with my interaction, even if it was out of the way.
