The Story:

This was a double booking actually, only that the other girl was visited separately by my friend. Since he is not familiar with feedbacks, I guess will be the only one writing something about the one I met. Charlene is an absolute stunner and from the moment we've met she gave me the impression I was like an old boyfriend of hers. All smiling, liked her eyes were amazing and she dressed in a sexy pink with white lingerie which she putted aside quite quickly and eagerly. The view is amazing from both front and behind, but I've preferred the latter, just the way she does it.. She makes the right noises, not the usual motions, but she genuinely appeared to enjoy the whole experience and yes she made me feel fantastic. At her rates and the way she looks I will definitely be visiting again really soon.
