### The Premises:

Very typical Milton Keynes Central location. Easy and plentiful parking nearby (and free after 1800 as usual). Purpose built flats, easy and discrete access. Buzzed into the block without any nosy porters in the way. As many Annabella fans will know, it almost feels like the whole of MK is built for punting! It is as functional as it gets and I can so get used to this.

Clean flat, serves its purpose. Shower was excellent, although the shower head doesn't quite clip onto the holder and keeps falling down, oh well. Though I don't understand why they don't supply gentlemen's shower gel and insist on just having lady's stuff. Oh well, I smell pretty now.

### The Lady:

Nikki is a pretty and slim lady. No large tattoos or obnoxious piercings. Petite is probably the right word with all the curves at the right places. She is probably in her early thirties, a tasty early thirties I must add, which the website is actually honest about! (No really, I genuinely appreciate this Annabella).

She looks very much identical to her pictures with her short-ish hair. She is not the hottest of all working girls to be brutally honest, but she has the most radiant smiles, and bluest eyes which you can just get yourself lost in. And anyway, where she shines is what she does best.

### The Story:

Welcome back to myself! Looks like I haven't posted anything for 4 years now, but here I am again. Having moved to the East Midlands a few years back, I have now discovered the true gem of annabella's tucked away in the plain concrete jungle of MK. I've had a couple of experiences with them so far (last time with Daisy) and both times it has been incredible: London class girls at half the price without the nightmare of actually having to be in London. I will surely be back for more, I'm looking at you Renata.

Anyway...

Back to Nikki. Having had a shower, we stood by the side of the bed kissing, and me with my dirty hands and tongue all over her including me touching her warmth between her legs. We did this for the quite a while and I got incredibly turned on. I stripped her down piece by piece from her classy black dress to her silky fair skin. After tasting her, I lay down for a quick covered BJ, then for some awesome sex.

Cowgirl first as for my appetizer, and mish for main course. Cowgirl (or reverse mish) is my fave, and she does this particularly well by teasing me gently first as I entered, then she does this thing where she keeps my pride in her cunt whilst giving me deep kisses. I pinned her down for some deep mish, and I blew my balls into her. How memorable.

So yes, I would recommend this lady. She is Czech, and she mentioned that she will be back on Sunday, though she will be back now and then every month or so. Highly recommend her to you gents when she comes back you surely need a try.
