### The Premises:

Ego - as always clean and welcoming.

### The Lady:

Gorgeous. Very pretty and lovely figure. If you like your girls pencil thin then she may not be for you, but there's no fat on her - just lovely womanly curves in all the right places. Very friendly and put me at ease immediately.

### The Story:

Probably the best massage ever. Slowly increasing visits to the erotic bits with her perfect hands. After she whispered in my ear to turn over the tempo went even higher and the body to body was fabulous

Finished inevitably with the happiest of happy endings.

Would I return - is the Pope Catholic? !
