The Premises:

Terrace house quite near town centre with good shower and clean room.

The Lady:

Blonde shortish hair with a nicely curvy figure and attractive face. Very easy lady to chat to and become comfortable with and she has a sexuality that makes intimacy with her an event not to be forgotten quickly.

The Story:

We chatted and caught up on each other's recent lives while sorting money, shower etc.

Soon embracing with a happy familiarity but the sexier it gets, the more you feel Sidney is well into it, knows what she wants and certainly knows what you want.

Both of us took hints or commands from the other and it was altogether a pretty steamy time and very very satisfying.

A really genuine meeting that will inevitably lead to me going back whenever I want a session as close as this to a love affair.
