The Story:

Rachel I had seen previously at the same site when visiting another lady and she stood out and was always very chatty.

She came in and was surprized to see me - had a good connection and she stripped off and revealed a beautiful body with very full bust.

We kissed and cuddled and then she let me go down on her and what an effect that had she really enjoyed that which was what I wanted, she then went and gave me a OWO and came very quickly as she got me so excited couldn't hold back.

WE chatted for a while and then left with a spring in my step.
