The Premises:

A discreet salon off a main road about a 5 minute walk from Welling rail station. It has shower facilities inside.

The Lady:

A pretty young Hungarian girl about a size 8 with D cup enhanced breasts and a lovely pert bum. She greeted me wearing a short white medics uniform and black fishnet hold up stockings.

The Story:

This punt was a stroke of luck. Yesterday I was outside a flat in Plaistow when it dawned on me I'd been there before and they switched girls on me. I decided to abort that punt and defer it until today. When Melissa let me in my immediate thought was wow! She had a sexy librarian look about her because she was wearing specs.

The session started with covered oral and progressed to sex with her on top. I gave her boobs a good squeeze and asked if I could give her oral. I don't think she was used to it, but she had a shuddering orgasm. I then took her in missionary position and then followed that with uncovered breast relief. I was soon exploding over them.

A really lovely, intelligent young lady.
