### The Premises:

Usual safe HOD venue near Warren Street. Very easy to find. Clean and secure. Showers available but eats into availability.

### The Lady:

Her pictures do her justice but she has added a few more pounds since taken. She is a naturally beautiful woman quite tall but not dominating. Very pleasant to talk to and genuinely worth talking to. Very friendly.

### The Story:

After a brief chat of introduction started with kisses and cuddles moving on to fk and caressing. Then to gentle sloppy owo. Side ways 69 seemed more appropriate and comfortable, shaven and responsive pussy, sweet tasting.. Time was pressing guess need more time to pleasure her to orgasm (guess that means an hour next time...) so on to mish as my favourite cowgirl not on because of relative size..my problem not Ashley...several minutes of slow and fast which she seemed to like and I was done. Definitely need more time..
