The Story:

Met this gorgeous lady last week on recommendation of her friend Lia Amelia - booked her via Lia but she has an awork profile.

Opened my hotel door to find a stunning, tanned, smiley bruenette - cracking start! Had some wine in the room so we had a good chat - had a few things in common and liked the same sort of music.

Moved seamlessly into action on the bed - all felt very natural. Sadie is a great kisser - very passionate and things progressed down to a fantastic blowjob with her on her knees and me sitting on the bed. With her dark lipstick, brilliant white teeth and skilled attention (almost full deep throat) the attenation was getting me extremely close - Sadie insisted I cum into her eager open mouth and she then snowball kissed me with it.

After such a display I felt I had to do something in exchange so we stripped off her underwear (which had miraculously stayed on) and she lay on the bed while I went down on her. Sadie's body is fantastic - tanned, perfumed, shaved and with fantastic full boobs (enhanced).

Sex when it came was great - very enthusiastic and lots of positions and encouragement.

Well worth seeing!n
