The Premises:

The same apartment block where I saw Stunning Millicent. I note that a lot the Rosebud girls are listed as residing in Sloane Avenue. The place must be one big House of Fun.

The Lady:

Very pretty 23 y.o. Romanian girl. She had a good body, with no enhancements, but not a great body. No worries, however, cos I have had terrible punts with girls with killer bodies & a mardy attitude. She is very confident in her body and was still completely starkers when we said our goodbyes. The only minus was the faint smell of cigarettes emanating from her pores. She doesn't do KF, however it was enough just to kiss her on those beautiful lips.

The Story:

Upon my arrival, Gia was wearing spectacles as requested. She looked amazing. We chatted for a few minutes which was not at all contrived, not least because her English is impeccable. And then we undressed. I lay on the bed and asked Gia to pour some oil onto me and wank my cock for a few minutes. Gia did everything that was asked of her and always with a smile. At the end of our encounter I said "hey! You didn't suck my cock" and her reply was "you never asked".

Gia sat on my face and I ate her pussy while at the same time she stuck her finger in my bum and I gave her a tit fuck. Then into mish. I pounded her till I came. It was off with the condom and she played with the old chap and successfully resuscitated him and so we fucked with her on top. Gia informed me she likes doggy so we switched to that. All the time my cock was inside her Gia was purring. Finally, I said I wanted her to wank me to completion. Gia agreed and encouraged me saying 'let me see some milk' and "come for me" and I obliged by splashing my load all over my chest.

We chatted some more as we cleaned up. She's a wonderful girl with a winning smile. I would love to see her again.
