### The Premises:

Modern clean spacious apartment in the Hub

### The Lady:

This young lady would not look out of place as an underwear Model, as she answered the door in my favourite look stockings suspenders and heels

### The Story:

I have seen Helen for about six or seven times and she gets better and better, great gfe with lots of French kissing better than most. we had a nice chat about holidays and then on with the main course lots of oral both ways I was on my back and was being treated to some good deep sucking when I mentioned I loved deep throat and she said she could get deeper if I stood up so I shot off the bed and true to her word Helen took me all in her mouth just the best in Milton Keynes. I returned the favour and was treated to the sight of her shaved pussy and licked away while she made all the right sighs, then asked for the raincoat and went on to doggy and girl on top as I knew the time was nearly up asked if we could finish in the mouth. I hope to return again soon Highly recommended
