### The Premises:

The accommodation is a flat in a converted large house on Bournemouth's East Cliff. Exclusive, discreet and safe.

The flat is well maintained, very clean and nicely decorated.

### The Lady:

Bliss is a petite lady in her fifties with small breasts and the most responsive nipples

Suzi is a slightly larger lady but again very responsive.

All photos are accurate apart from the fact that both girls are better in the flesh

### The Story:

This was a meeting with both girls at once and can only be described as fully interactive. As soon as the door opened I was showered with kisses whilst they led me to the very large bed and proceeded to undress me. I was then able to relax on the bed while they undressed each other.

We continued to kiss and cuddle and moved naturally into a position where we were all giving oral to another. This was followed by lots more mutual enjoyment during which 2 pussies became very very wet. This led to the inevitable fun with both girls in turn. No need for any more details save to say we all had a great time and enjoyed each other fully.

If you want to experience a threesome I fully recommend you arrange to meet these two fantastic ladies
