The Premises:

Ariana's place is a discreet flat on the top floor of a council estate. Parking is limited if before 1830hrs. Bit hard to find the flat as the numbers don't make much sense there but found it in the end.

The flat is clean and tidy. The shower and toilet is immaculate with fresh towels.

The Lady:

About 160cm tall, curvy build with large boobs. Short hair with dark eyes. A "milf" look, you might say.

The Story:

Was greeted by Ariana at the door. She was very kind, after the formalities I laid down on the bed. The pillows on the bed did have a suspect smell to them which was not pleasant. The massage it was thorough but too light for my liking. She does like a good chat, Ariana, which is ok but it doesn't exactly get you in the mood of the massage. She did not neglect the bum and the bits that matter. Was offered a shower before and after the massage. I thought the encounter was very average, not exciting in any way. Wouldn't say no to going back, but equally it wasn't particularly memorable.
