### The Premises:

A really modern & pleasant basement flat in the Royal Arsenal docks near the Thames Clipper ferry service. I was let in by a Chinese man and it made me think of the infamous Ken who ran a place in the Docklands.

### The Lady:

A Chinese lady, maybe early 30's with lovely 34C breasts. She was very friendly and didn't rush me.

### The Story:

A very enjoyable session which started with a very good massage. The massage was quite firm and it really relaxed me. Towards the end it became more sensual and tickly. I turned over and declined the usual covered oral and sex service for a slow hand job. This was delivered superbly and towards the end Jenny let me come over her breasts.
