The Premises:

Clean modern flat in a purpose built block. Parking in Multi-storey park opposite the block. Easy to find.

I used the bathroom before our meeting and made use of the shower and a range of shower gels were available as well as a clean fresh towel. The bathroom was modern and clean. It was a cold night but the flat was nice and warm.

The Lady:

Sandy is tall and slim with long dark hair. I was greeted at the door with a big rosy smile and bright eyes. She immediately made me feel very welcome.

The Story:

This was my second visit to Sandy.

From the moment she opened her door to me I was made to feel right at home. I was led to the bedroom where money was first exchanged. I was offered a shower which I accepted. I was taken to the bathroom and a large clean towel was given to me. After my shower, I returned to the bedroom. Sandy was waiting for me and she sat me on the bed and I pulled her towards me. She was wearing a sexy black top with black stockings and high heels. She stated to dance standing in front of me and I pulled her towards me and I started kissing her.

I always know I am in for a good blow job if the girl kisses well - and in this case I knew it was going to be excellent. Once lying on the bed she duly complied and gave me a very nice and wet blow job. I wanted to fuck her but the blow job was just so very good. Eventually, I told her to stop as I wanted to take her from behind. On went a condom and she knelt on all fours telling me that this was a favourite position.

After a while I turned her onto her back where I finished in the missionary position.

After cleaning me up we lay and chatted - a very nice girl to talk to too!!! I must have been there quite a bit longer than the 30 minutes but I did loose track of time.

My 2nd visit was even better than the first and I would highly recommend this lovely lady.

Please treat her well.
