The Premises:

Nice enough flat in busy part of town. Off a busy road. Clean.

The Lady:

Look very different to the pictures. Same woman, but really photoshopped. She is probably mid 30s at least with a very average body. Not attractive at all. I felt misled.

The Story:

I was very displeased when I found Viki. I was expecting someone much more attractive. I settled for a quick hand and then blow job.

I left after 20minutes. I called the agency to complain but they didnt seem to care.
