The Premises:

Well known; lovely friendly receptionist and scantily clad ladies likely to squeeze past you if you leave just not quite enough room...

The Lady:

Brasilian! That says almost all you need to know. More tanned than pics make her appear, curvy controlled figure and with sparkling eyes and a dazzling smile. Terrific natural boobs and a bum straight off Copacabana beach.

Jasmine is looking to give you a good time.

The Story:

I loved the smile that walked in with Jasmine. It makes such a difference from the get go. Once Jasmine took off her high heels I had all parts of her lovely body and smiley face within reach.

Kisses were initially modest but plentiful. I massaged Jasmine to get to know that lovely body and the kisses intensified with some tongue play.

Jasmine's owo was very effective but when we moved into 69 I was in heaven with appreciative noises coming in response to my tongue working on her and no hand coming round to stop me touching whatever I wanted.

During sex, Jasmine is fully involved, sending verbal and bodily messages on what effect you are having and well able to ensure you are getting the most out of everything yourself.

As we got ready to leave the room we had a very easy conversation about this and that and both of us showered compliments on the other one - deservedly so both ways of course...

I would say you cannot go wrong with Jasmine (unless you arrive wanting to treat the woman in the room as an unfeeling robot). Treat her like a Brasilian sex goddess and you will have a high old time of it.
