### The Premises:

Smart place at the far end of the continuous shopping area that is Narborough Road. Only downside of facilities was a malfunctioning shower but I coped.

### The Lady:

Being told there was only one lady available on my first visit here was a downer but only briefly as I loved the look of Natasha as soon as she appeared - a curvy, pretty, smiley black lady with very big soft boobs and a smoking ass.

### The Story:

I wasn't aware of the Leicester(?) policy of almost everything being a chargeable extra and I wasn't going to get involved in that. Natasha and I made a joke of it throughout, each totting up the extra charges for almost anything the other one did.

The whole time was a laugh a minute interlaced with gorgeous sensual and sexual interaction with a super partner.

Caressing and sucking her bobs was glorious, stroking and squeezing her pretty firm bum was a delight and Natasha was also showing her appreciation and ensuring she kept my bits and bobs received lovely attention.

OWO was very effectively done and the sex was great with Natasha fully involved throughout.

Lovely time because of a lovely lady.
