The Premises:

I met Christine at her place for the evening. Very easy to find, very discreet entrance and good parking. Christine's apartment was very clean and I felt very comfortable throughout my time there.

The Lady:

As many have said Christine is an absolutely stunning lady in every sense of the word, best of all though is what a fantastic, down to earth, lovely lady Christine is. There's only one way to describe Christine and that is she's simply stunning, she was very elegantly dressed with something a little naughtier underneath. I felt that Christine had made a real effort to look her best for me and boy did she!!

The Story:

I met Christine for the first time after trying to arrange to see her a few times previously without much luck, all I can say is I'm glad I persevered and it's now become clear why she is so popular. I've only ever met with escorts on two occasions previous to meeting Christine so am not all that experienced and was very nervous but I really shouldn't have been as Christine is about as lovely a person as you could wish to meet. Christine was lovely throughout, very talkative and friendly which put me at ease straight away, she's also very funny and has a few stories to tell, but best of all is just how down to earth she is.

I'm not going to go into graphic detail about what went on but I will say that nothing appeared to be too much trouble for Christine and she made sure that I had a thoroughly enjoyable evening. My only regret for the evening was that I didn't make as much effort to make sure Christine had as good a night as I did due to some confidence issues on my behalf, hopefully though I will be able to make up for that the next time we meet though, as I'd be a complete fool not to arrange to see Christine again.
