The Lady:

Petite size 6 beauty, she looks a little like Rachel Weiss and has the best bum I've seen for a very long time.

The Story:

She was wearing a skimpy 2 piece bikini and the sight of her arse as she lead me to the bedroom had me rock hard straight away. Quick shower and down to business, she was fun, enthusiastic and eager to please, I spent quite a long time concentrating on her amazing arse before turning her over to enjoy her b cups. After some excellent hand work she suddenly went straight to owo with a very good technique, the right amount of licking, sucking and eye contact that had me on the edge a couple of times. She tried several times to get it all in her mouth without success, but the gagging and watering eyes just heightened the experience. We moved on to 69 with her on top and I was mesmerised by her perfect bum. On with the hat and started with cowgirl, then doggy before finishing in missionary. Accompanied by plenty of kissing, eye contact and dirty talk when requested. Top punt with a gorgeous babe. Thanks Evie you made a dirty old man very happy.
