The Premises:

Very nice modern and spacious flat within a few minutes walk of Paddington Station. She is actually the flatmate of Ruby who I saw earlier in the month. Ruby got the better room with en-suite shower whereas Marybeea's shower is more communal (but OK). It might be interesting if both girls are working and clients meet in the hallway or noise travels through the walls!

The Lady:

As photographed and all natural. Beautiful body. A couple of corrections to the agency listing - she is Spanish and not Eastern European. Also a little older than the stated 22 years. However, neither of these points was an issue for me. Marybeea has only been seriously speaking English for 7 months or so and her level of fluency is OK (actually very good for only 7 months) but not perfect.

The Story:

This was a 90 minute/2 pop visit. A nice greeting and then down to some mouthwork. A bit of 69 (oh my that is definitely a sweet place to go ...) and then into missionary to complete round 1. Faultless. Smalltalk and a massage and into round 2. I was a little boring and chose more oral, 69 and missionary for round 2 - stop for a rest and then 69 to completion. The completion was actually done manually which I normally take issue with because I can do that sort of thing myself so a bit more oral might have been preferable. Having said that, here I am writing this review 6 hours later and I still have this dull ache downstairs so something obviously went well!

There is a lot more to be discovered here. Normally I like to try a few positions but this time I failed to do that. It is obvious that I need to visit again.

One of my visions is for a duo and Ruby/Marybeea would be good candidates for this. I spent an enjoyable time with each of them although they are both different animals - so I wonder how a duo might go. So much to do and so little time

Bottom line for Marybeea is 9 out of 10. I only drop the point because the smalltalk was a little limited by her lack of English fluency although I suspect in a few months time that will be taken care of.
