The Premises:

Mia's flat is located in up market area, my favourite Chelsea. Clean and cosy one bed.

The Lady:

Mia is lovely looking lady in her late 20's. Natural shapely breast C cup, brown hair.

The Story:

I want to see English lady this time So I called Hamilton's and follow recommendations I chose Mia. Not disappointed.

I came out of the bathroom (didn't bother with clothes or towel), and joined her on the bed where she was reclined in beautiful lingerie. We started off with some French Kissing, using a little tongue, before I moved down her body. I pushed down her bra, and sucked on her breasts (which were smaller than I usually like), but perfectly pleasant. Panties removed, I dived in to gorge on her pussy (which was shaven and very fresh).

After a while, she returned the favour and gave me a memorable OWO. Then it was time for the main event, and I got her to ride me cowgirl, and finally popped. As it was a 45 minute booking, I didn't rise to the occasion for a second pop (it seems to be getting more difficult as I get older), but we kissed a bit more and I had a grope of her as she gave me a massage for the last 10 minutes.

Into the shower, and then the booking was over and I returned to the car. I will return for sure.
