The Premises:

Angelica's place is very nice and clean, ground floor flat, well presented, spacious, her bedroom is well decorated and also very comfortable, shower available, a good size bathroom. Safe location, the flat is located off busy road, very easy to access, discrete.

The Lady:

Angelica is blonde petit slim lady in her mid 20's, looks like typical Eastern European lovely face big green eyes, very catchy and you will notice them as soon as you meet her, her big eyes, lovely face very pretty, was pleasantly surprised as she doesn't show her face on the website.

The Story:

I requested a GFE experience with lots of touching, kissing, long foreplay and plenty of sucking action.

I must admit I am not easy to cum guy as I find it difficult to relax with someone I see for the first time. Nevertheless, Angelica is very comforting and skilful lady, she is very friendly and understands quickly when and what to do. She comforted me with a cup of coffee (offered me wine but I do not drink alcohol), quickly told me about her background, dropped a few jokes and then swiftly took her clothes off.

By the time I finished my cup of coffee her hands were already all over me ravishing me and undressing me. Oh wow she is so sexy with her moves....

My favourite parts of the meeting were watching how Angelica performs a bj in front of mirror and watching her play with her toys.

After some protected penetration I wanked over her tits shooting a big load all over her tits and face. She offered a massage at the end, we had few more minutes but I politely declined as had to rush back home.

Very attractive lady, so unfortunate I discovered her only now. Will be a regular and recommend you to check her out.

One of the best escorts I have encountered in London. Service performance 10 out of 10.

Well done Angelica!
