The Story:

I'm quite new to this so a bit on edge before meeting Jan a gorgeous 50 something lady with a very fit body. I had phoned Jan in the morning to check availability for 3.00pm but Jan said she was not available at that time but could do earlier. I altered my diary and phoned back and arranged a meet for 1.15pm.

I arrived a five minutes early and was greeted by Jan and treated to a passionate kiss and cuddle in the hall. Because I had arrived straight from work I requested a shower Jan supplied a fresh clean towel and said she would be waiting in the bedroom. Out of the shower, semi hard and found Jan ready and waiting in the bedroom. Started with French kissing and some exploring of each others bodies soon Jan was on her knees for a short session of OWO. To the bed Jan lowered her basque to reveal small firm tits topped with prominent nipples, quite a turn on - for me anyway. I performed oral on Jan's soft lipped pussy. Jan returned the favour with an amazing bj deep throat cum and swallow to die for. After a short rest lying together Jan got me hard again for penetration (protected) but after such a bj and Jan's best efforts I couldn't manage another cum. Offered another shower and received a parting kiss and cuddle. A great experience and no clock watching. Thanks Jan, I will cum again.
