The Premises:

Safe ground floor flat in Central Milton Keynes. Parking easy if you drive into the estate and run right going downhill the a 2 minute walk.

The Lady:

I like petite Asian girls an this one had my eyes out on stalks, just perfect for me. Small tits and bum, smooth skin nice long hair, probably a size 6 and very early twenties.

The Story:

If you've read my reviews before you'll know I like small skinny Asian chicks. This one couldn't be better. She's been there since Monday as usual but was still enthusiastic and compliant. She was wearing a Basque and panties which showed her body off perfectly. I stroked her bum and tits before slipping my fingers under her panties and feeling her pussy. I disrobed and showed off my large cock which she said something in Chinese about, I think it was complimentary!She kissed me and held on to my raging hard-on while I explored her.

I laid her down on the bed and buried my face in her lovely little pussy. She was clean and fresh and tasted divine. I spent as long as I could licking her but needed to enter her as time was running out so I climbed on and fucked her as hard as I dared. She was very wet and nice and tight so it didn't take long before I enjoyed her, tonguing her mouth as I emptied a weeks worth into the condom.

Bliss.

She was careful to clean me up nicely and I gave her pussy another lick before I had to leave. I'd love yo have another go on her but I rarely do the same girl twice, I may make an exception for this one at the weekend though!
