The Premises:

A new venue (to me, anyway) for Annabelles rendezvous but still in a central location. Its easy to find, and as ever, straight across from the shopping centre

The Lady:

Ariana is about 5'7", late 20s and a size 10/12. She has shoulder length dirty blonde hair which framed her face spectacularly. She has beautiful tanned skin. Her breasts are B cup. She has amazing dark brown/green eyes and a wonderful smile. Its difficult to say which of her photos best resemble her in real life, but I would think that the one where she's sitting on the arm of a black settee in purple high heels comes the closest

The Story:

What followed was an amazing session with a wonderful woman. We kissed on our lips - there was to be no DFK. I invited Ariana to lie back on the bed. This she did, and she looked stupendous in her naked bronzed glory. I kissed her all over culminating in a glorious RO. Oral was sheathed and this led on to a fantastic doggy session which finished me and left me drained

After a 10min chat between rounds where she told me about Italy, Round 2 started with me kissing her all over her back as she lay sphinx like. This then led to RO via face sitting and then prolonged 69 where she wanked me to a draining orgasm at the top of the hour

On the way out i caught a glimpse of the dark haired beauty that is Angel reclining on the sofa in the front room.

Would I see Ariana again? Damn right I would. She's so engaging and so lovely, and shes wonderfully responsive that she seems made for sex together. Ariana's going on my regular list
