As previously described.

The Lady:

Very attractive, reportedly Polish, 40 something, petite in height, medium build, very large breasts probably though not obviously enhanced, prettier and younger looking than I was expecting from the photos.

The Story:

I arrived bang on the appointed hour but it took Dahlia another 15 minutes to find her way to the room. There was no apology when she did arrive but her bubbly friendly manner soon defused any irritation I felt at being kept waiting.

The action comprised my favourite routine - enthusiastic dfk to start, owo, ro, frottage with more enthusiast dfk, finger insertion, more owo with plenty of ball licking culminating in cim - and I left very happy.

Dahlia is without doubt in the premier league of incall providers. She told me that she'd started in the industry later in life and really enjoys the work which I can believe judging by her enthusiasm throughout the session and her obvious enjoyment during ro. I will recommend her highly for anyone looking for a quality gfe with plenty of conversation.
