The Premises:

Ample parking at the rear of the premises.

The property was very clean and nicely furnished.

A drink was offered on my arrival.

Everyone I met was very friendly.

The Lady:

Sasha is a very beautiful woman with a big welcoming smile.

Her body is very desirable, with an all over tan. Large breasts and a squeezable bum, not too big, just right. My eyes almost popped out of my head when she started to remove her clothes.

She is an intelligent woman and not just a pretty face.

Sasha has magical hands that can relax you as well as removing the stress of your day.

The Story:

As I lay on the bed Sasha began to massage my legs with oil, and worked her way up my body.

She spent just about the right amount of time on my legs before reaching my bum.

My whole back was treated to Sasha's teasing hands doing there magic.

Once my back was nicely covered in oil Sasha lay on my back, moving her body up and down my body.

Then she gently rubbed her breasts up and down my back.

I then turnrd over on to my back and the whole experience started again, and yes Sasha climbed on top of me again and gave me the full body 2 body treatment, fantastic.

I was treated to a fantastic close up view of her breasts, looking down my body I could see her neatly trimmed pussy. The body 2 body experience is well worth it, especialy with such a beautiful woman.

The session was finished off with a happy ending, what a feeling, my whole body was tingling.

I am definatley going back again to see Sasha.
