The Premises:

Bella works in a small well fitted flat in an upmarket area. Spotless clean and tidy.

The Lady:

Bella is a well proportioned Hungarian girl who is around 30. Her profile photos are recent and accurate.

The Story:

On arrival I was given a fresh chilled bottle of water and a clean fluffy towel to use after my shower.

When I returned to the living room Bella was in some nice undies and black stockings, as requested.

Bella has a proper massage table and I got her to lie back on it so I could give her a good licking and tonging before she took me in her mouth to make sure I was rock hard.

We adjourned to the bed room and I enjoyed a burst of deep stick mish which soon had me cumming.

After a break there was more oral with a lot of spit to get me hard for the main event. Bella covered me up, lubed me then knelt at the edge of the bed so I could slip into her tight bum for a good long session of anal. I could not quite manage to cum so withdrew gracefully.

After a bit of break, Bella went to work on me again with her hands and mouth and extracted another little drop from me.

This was my second visit to this friendly young lady who is easy to get to by public transport.
