### The Premises:

Quiet flat in the Campbell Park area of CMK

Nice easy parking and being a work day pretty quiet area.

Tidy flat and clean room and bed.

### The Lady:

Japanese girl of about 21/22 years of age size 8 nice figure.

### The Story:

I like Asian girls and to have a Japanese one was a welcome difference to the usual Chinese girls at this establishment.

To get in early in the week when she had just started was an added bonus, I may have been her first client.

I followed my usual routine of giving her a very good seeing to with my tongue then slipping her a length.

What can I say? Loved every bit of it and blew a nice load up her warm wet pussy.
