The Premises:

A nice, cosy basement flat not far from Gloucester Road tube. Very safe. Shower was good. Bed was big and comfy. Lots of mirrors.

The Lady:

Tilly is gorgeous and intoxicating. A tall (5'10"), slim (size 6), fair skinned, stunning English brunette with enhanced breasts (34DD?) and long wavy hair. She's early 30s at the latest and it's obvious she works out a lot. She wears expensive lingerie to highlight her best features and her pictures give a very fair idea of what you'll see but she exceeds them in the flesh.

The Story:

Bloody hell! I visited because of all of the reviews spanning many years including under her old working name Tammy of Maxes Angels and also Tilly at Bijoux as well as an independent as Tilly of London. Multiple field reports consistently painted a picture of a woman who takes you to new heights and she did that to me too. I was blown away.

I'm not sure what to add to those reviews. This wasn't some impersonal time with an uninterested service provider. Her enthusiasm, energy, warmth and bubbly nature made me feel like I was her sole focus. It began with her pouncing on me after a shower and didn't end until I lay convulsing on her bed 20 minutes later. After a rest she then asked really sexily if we could try again. In between she paid me so much attention I felt like I was really experiencing a GFE, but a really naughty one. She's addictive, skilful and clearly loves what she's doing. I can see now why she's got so many positive reviews.

I really can't recommend her enough and am glad I found her.
