The Lady:

Tara's pictures on Adultworks are accurate and she is a very beautiful Lady but unfortunately speaks very little English when it pleases her.

The Story:

Tara let me in and took me in to a sexy lit bedroom with both a massage table and a double bed. Looking at Tara i couldnt believe hoe beautiful she was but i was a bit dismayed by her lack of English.I asked if i could cum twice in half an hour and she explained in very broken English 30 minutes one happy ending or 60 minutes with one happy ending. Amazed by her beauty i elected for the 30 minutes with one happy ending thinking i would be able to enjoy her list of Enjoys below which are;

Hand Relief

Lapdancing

Massage

Oral

Oral without (at discretion)

Oral without Protection

Prostate Massage

Receiving Oral

Tantric.

I then undressed and Tara removed her dress to reveal her lovely body clad in a sexy all in one. Tara then took me into the shower and washed me down paying a lot of attention to my cock. She then left me to rinse and dry myself which i did and then went back in to the bedroom. She then asked if i wanted oral then massage or massage and then oral, i elected for the latter still thinking i was going to enjoy this lovely ladies body and get the chance to eat her pussy why she gave me oral.

I was then gestured to lay face down on the double bed and Tara then massaged my back for a couple of minutes and the gestured me to turn over. She then offered me oral and i asked if she was going to remove her all in one... ITS THEN THE EXTRA COSTS COME IN.. £10 for touching, £40 for reverse oral.. Much to my dismay i just asked for the oral and she finished me off..

Its very unfortunate because if this lady stuck to what she has put down on Adultworks she would make a fortune and as lovely as she is i will definately not return. I have posted this in hope i can save other members from the hidden extras that are all down as part of the price
