The Story:

I was delighted at the site of Tara when she let me in. She apologised for her lack of English though I now think this a convenient excuse. She took me into the bathroom and washed me down, as I touched her bum she explained there was no touching unless extra money is paid. Had I known this before paying I'd have left. Anyway, a reasonable massage was finished with an average blow job. Her English was good enough to explain that everything was on offer including sex but all for extra, a sort of human cash register! Such a shame because she is truly beautiful looking.
