The Premises:

Brooklyn's is now a well established, friendly, hygienic studio based in Crewe, hosting the best girls that the town's parlours can offer.

I was escorted into my room complete with raised, sturdy double bed, mirrored head board, TV playing a porn movie, and a clean shower situated in the corner. There was a long side board where condoms, moisturisers, wet wipes, and other hygiene products were placed. Overall, I felt relaxed, warm and ready for a good time.

The Lady:

Sam swung the door open and she immediately struck me as friendly and beautiful. She hopped onto the bed, flipping her blonde hair and smiling, patting the bed for me to join her. She wore black lingerie which hugged her petite, toned, tanned body. Her skin looked great. She whipped off her bra to reveal an absolutely stunning pair of very nicely rounded, firm, pert titties that had me awestruck. Her abdomen was flat, tanned, toned, and her pussy was very small, shaven and very well shaped. Sam had a definite porn star pussy - great to look at and it looked tight and welcoming. Her whole tiny, toned, fit frame, to me, was perfect.

The Story:

I asked Sam to lie on her back and began to kiss and stroke her all over her body and take full advantage of those amazing boobs by licking, lapping, nibbling and gently massaging them in my hands. Amazing. Then I went down and gave oral sex to that perfectly formed, tiny, tight, porn star pussy. It was a fantastic experience, every inch of that sweet pussy felt great against my mouth and tongue. I could tell Sam was a very hygienic girl just by that experience alone. Beautiful.

Next I lay on my back and Sam gave OW. A nice, slow, long blow job. I'm not a massive fan of blow jobs, they've never really done much for me, but it was nice to take the chance to run my hands over Sam's delicious body and breasts.

Then Sam hopped on cowgirl and this is where I was *really* impressed. She lay very close to my

face as she pushed my cock to the hilt, then started kissing me. Gentle kisses, followed by tongues, followed by more gentle kisses, as she varied the pace of her fucking. A placed my hands onto her small, perfectly rounded, sexy ass and held on as we fucked and kissed for a while.

Sam then flipped over and we had some doggystyle for a while. Her pussy was so small it made my cock look massive, so I enjoyed slowly pushing my cock in and out of her while spreading her ass cheeks. This was heaven.

Then to missionary. This is when I upped my pace and began to fuck nice and hard and fast and Sam started to wince and moan and you know what that does to guys, lol. It wasn't long before I was moaning and my cock exploded deliciously inside her tiny, tight pussy. My God, I pumped as much cum out as I could then rolled over and collapsed on the bed next to Sam.

This is the first time I've felt that I could become a regular punter with Sam. I've never considered becoming a repeat customer with any girl before but Sam ticked all my boxes and some more.

She was very friendly, with an air of innocence about her, which gave her an naughty, cheeky edge. Conversation was friendly and agreeable throughout and I left feeling very satisfied, refreshed and pleased. That's what it's about!
