### The Lady:

A tall attractive young woman with long dark hair and a great figure. Dressed as requested in stockings and suspenders and a short dress.

### The Story:

On arrival I freshened up and came into the bedroom where we immediately started sensual kissing and I was feeling all over her sexy body-she seemed to enjoy this as I did! After a few minutes Michelle started to remove my clothes ,in between kissing,and slipped her dress off leaving her in a matching bra stockings and suspenders-very sexy.

She then got on her knees and slipped my hard cock between her full lips and into her mouth-great-Michelle sucked and licked my cock and balls for some time until I thought it was time to reciprocate. On to the bed and spread her legs and started to lick and suck her shaven pussy which got quite wet -she again appeared to enjoy this from the sounds she was making !!

Time for sex !! On with the rubber and Michelle eased herself onto my cock for some cow girl so I could admire her magnificent tits-we then moved to Doggy and finally into Mish with her legs in the air and soon I could hold out no longer!!

A really enjoyable hour of hopefully mutually enjoyable real GFE with a very attractive and interesting young woman-I will certainly be back
