The Premises:

Easy to find luxury apartment block standing in its own grounds with lots of parking spaces. Access is by intercom. Inside everything is tidy and spotlessly clean, very comfortable and welcoming.

The Lady:

If ever a lady deserved the word "voluptuous" it is Amanda. She is stunning with curves in all the right places. She is five and a half feet tall which for my over six foot made things easier. Caucasian, 40-50, long dark hair, and lovely smile. The welcome I received soon told me I was in for a treat. Her pictures do not do her justice. She is a dream lady.

The Story:

I had been let down by an Escort who cancelled within two hours of the meeting. I had already noted Amanda as deserving of a visit and so I immediately contacted her. She was very accommodating and we arranged a time not much later than the cancelled time. When I arrived I could not believe my luck as I stepped into the hall way of her flat I saw this gorgeous lady dressed in black Neglige, Bra and Pants and black Stockings. The formalities out of the way we chatted for a while and then Amanda suggested a leg massage to which I agreed. The massage table is in the same room as the bed and so I undressed and climbed on. Amanda is a fully trained Masseuse and the massage was wonderful. We then moved onto the bed and I was able to undress her and explore that enticing body. As I have problems with erection Amanda used her skills to allow me to enter her in the missionary position. We then switched to "Doggie" and it was not long before I came. Afterwards I was offered a shower, which I took (one of the best showers I have used), and a cup of tea which I also took. We chatted again whilst I dressed and drank my tea. Amanda has a beautiful smile in a friendly face and is easy to talk to on any subject. After drinking my tea it was time to leave. At no time did I feel rushed or that there was any clock watching. I drove carefully homewards as I was still euphoric after the meeting. I shall definitely be visiting again, and again for two hours. Anything less does not allow the full pleasure and experience of a visit to Amanda.
