The Premises:

A flat about a 5 minute walk from Old Street tube. It had a buzzer/intercom entrance and there were shower facilities inside.

The Lady:

A slim, Polish girl with blonde highlighted hair. She has lovely B cup breasts with prominent nipples. She was also really friendly and fun to be with.

The Story:

I opted for a slow, hand job to commence the session. This didn't take long to get me fully erect and then we had sex from behind with me standing. I took it slowly and taking time to occasionally squeeze her bum and breasts.
