The Premises:

Well known, very nicely maintained in rooms, serviceable shower and cheerful, helpful receptionist.

The Lady:

Very attractive, quite tall Indian lady with a dazzling smile she shows off happily often.

The Story:

This was Lucky's last day before returning home for a while at least so it was both a happy goodbye as she was looking forward to going home and a sad goodbye as I have become so fond of her.

We chatted like the friends we are and then that gave way to a very relaxed sex session as if we were established lovers. Finally we chatted again, talked about the life she was going back to and said very tender goodbyes to each other with kisses and cuddles.

The Studio has done very well to make a quiet lady like Lucky be able to work for an extended time and be treated well enough to not want to leave or start missing shifts.

I will now have a look at other Studio ladies as I suspect others I haven't yet seen will also have the happy disposition and ability to provide a very satisfying sexual service as Lucky has provided.
