### The Lady:

Profile says she is 35 but looks more like 25 especially with her hair in school girl ponytails. Great figure and boobs were nice and firm. Very pretty and about 5'6" tall. No photo on profile but she should put one on as she would get loads of business.

### The Story:

Had a great time and would recommend her to others. Think she is new to this and was a bit shy at times but then I liked that. Very friendly and willing to give most things a go.
