The Premises:

Surprisingly spacious place in good area and very nice bedroom with ensuite shower.

The Lady:

Gorgeous blonde with such a sweet face and a ready smile when she knows she can trust you. Happy manner and lovely sense of humour also come with familiarity. Body to die for, that's for sure.

The Story:

Natasha has become a very enjoyable regular as it is so nice to have her relaxed and smiley while still without effort being so gorgeous and sexy.

We cuddled and stroked and gave pecks on cheek as Natasha was slowly relieved of her clothing - she has such a hot body.

Fondling became oral with and that then morphed into sex.

We don't go in for sexual gymnastics as we are now so familiar with each other I don't look to get everything out of her every time I see her.

But she is not a filthy fuck anyway so you should be aware of that. But she is the escort discovery I am most delighted to have made in years for sure.
