The Premises:

The London Retreat is an immaculate location which is very ably managed, and it is within easy walking distance from Earl's Court Tube station. The room had all the amenities one could desire for a Kinky/BDSM session as well as a comfortable bed for more traditional pass times. The bathroom/shower was not only in pristine condition but immaculately clean. A true 5 star location with 5 star management!

The Lady:

Tall, slender English blonde, with large, proud breasts, a gorgeous, slender figure and a squeaky clean smell. Alice has curves in all the right places but is tight and firm where it counts. Alice has a lovely face with an engaging smile, framed by long blonde hair, but she can change her moods and demeanor to look unhappy, bitchy, or downright angry. She is clean shaven with both her legs and her delightful Mons Veneris silky smooth...

The Story:

We had a wonderful two hour role play, that began with Alice's delightful assistant Gina (see separate review). The theme was a punishment scene for a wandering boyfriend who thought he was going to spend a delightful afternoon with an office colleague (Gina) but instead finds himself taken straight to a waiting dungeon room where Alice is furious about his wandering ways. Instead of an afternoon tryst, the miscreant is severely thrashed with paddles, straps, and canes by both ladies, after which he endures a long and hard strap-on session from both Gina and Alice. Once alone with Alice, there is a final intense caning (the welts will last for many days) as a deterrent from future misbehavior, and then there is a chance for redemption. This last intimate phase was passionate, exciting, and undeniable proof that Alice can be a tantalizing and very responsive lover as well as a strict mistress.

Alice maintained the role brilliantly for two hours, never once falling out of character. Rarely have I experienced such consistency and enthusiasm. I would wholeheartedly recommend Alice to anyone seeking either an excitingly creative and talented mistress, or a beautiful, passionate, and cuddly GFE.

The next time I am in London, Alice at the London Retreat will be one of my first calls!
