The Lady:

What can I say. Chrystal has a fantastic shapely body with tits and arese to die for. It is very firm with large firm breasts. The photos are accurate and I don't doubt her claimed nationality although conversation was limited.

The Story:

Chrystal opened the door dressed very sexily and having taken my shoes off was led upstairs. The paperwork was sorted and I undressed and laid on the bed. Chrystal joined me very some sensual caressing. She then got up and did a sexy striptease before coming back to join me. She was very enthusiastic with owo moving into 69 and then sex in a number of postions before I came. Clean up completed and Chrystal immediately initiated round 2 with more owo and the on to anal. This was a bit of a squeeze as she is very tight. More oral on her and then more sex. finishe d wth her demanding that I come in her mouth of over her face.

All in all a very good punt with planty of play with her tits and arse. Definatly recommended.
