The Premises:

Excellent as ever

The Lady:

Absolutely stunning body as per her photos. Shame about the personality.

The Story:

This was probably my worst ever punt. She was argumentative and insulting and offered none of her extra services.

The experience was the coldest and most unprofessional I have come across, with even the simplest touch being argued about and refused.

This woman is toxic, avoid at all costs, there are far better ladies at this establishment which I have visited now for a number of years. I am surprised she is still working there.
