The Premises:

One of the usual apartments, right next door to the centre MK. Discovered parking at lunchtime on a Saturday was terrible but I should have thought of that!! Room clean and tidy as expected for Annabellas.

The Lady:

Angel is quite tall and very thin, I'd say her profile page on their website is spot on her body is very toned so it's hard to tell if they have been photoshopped.

The Story:

I have to start by saying my own performance was very underpar and Angel did her very best with what she had to work with. I pride myself on being reliable and not a time waster so arriving 15 minutes late due to heavy traffic and the parking meters not working put me on the back foot.

Angel arrived into the room looking stunning, very slim figure and tall In heels, I'm 6' and she was taller than me. Kissing was fine, I would say light French kissing while I explored her amazing body.

We lost the clothes and moved to the bed where Angel expertly have me OW, to be honest I didn't realise she had put the condom on it was so well done. We tried a few positions but this is where the little fella let me down so it was back to more oral finishing on her tits.

Angels English is very good and she is very funny, we had a nice chat after and it was time to go.

I would see Angel again but I would need to be on better form, I think this week was just one meet to many!
