The Premises:

Well known parlour on Narborough road. Phoned beforehand to check Libby was available and made booking for stated time via the very helpful receptionist. There were 2 other girls also available - Nicole and Chloe (both incidently attractive) as per the rota on the web-site.

The Lady:

Libby had introduced herself to me when she was on reception on a previous visit (to see Lovette - as per report) and having liked what I saw, decided upon a return visit to see her when the opportunity arose.

Her photos on the web-site are absolutely accurate. She is half-Brazilian so is cafe-a-lait in colour with perfect figure and boobs - IMHO. She was freshly shaved.

The Story:

I was shown to the room by Libby and got undressed. When Libby re-entered she was dressed in a sheer nylon black outfit which showed off her amazing figure to the max.

Libby remembered me from my previous visit and my requirement for GFE. She immediately got stuck in with DFK and somehow got undressed. This was followed by OW, RO and cowgirl. Finished with Libby legs open at end of bench with me entering in sort of mish. What a sight.

What Libby has in spades is the right Attitude - which is quite rare in many WG's. She is welcoming, chatty, down to earth and loads of fun. She is highly recommended. I will be planning to see her again when the opportunity arises.
