The Premises:

Erotic Studio - I got to go upstairs this time in to one of the bigger rooms. Unfortunately it has been left in a bit of a mess by the previous occupant - I thought of the maids at Sandy's Superstars in Manchester - they would never let such a thing happen.

The Lady:

Holly is the girl next door type - not stunning, not ugly. She is a slightly larger lady with good sized boobs - a very amply handful indeed. It's fair to say she is a bit chubby around the middle - again not fat exactly but not as shapely as some. Shoulder length dark hair. She wasn't wearing her glasses - she told me she sometimes does and I imagine they suit her - making her look like a secretary.

The Story:

My experience with Holly was good - she aims to please and offers a no holds barred service with enthusiastic kissing, OWO, fingering and shagging. She offers anal but it was not on offer the day I saw her - not sure why. Holly is good fun and does a nice line in dirty talk. I probably won't see her again but her service was more than good enough for me to recommend her to others.
