The Premises:

Debbies is a short walk from Anerley Station, and has ample nearby parking. Discrete rear entrance for regulars. Comfortable and clean basement flat with two cosy bedrooms and a bathroom with the popular shower. Debbie herself offered refreshments before appointment.

The Lady:

Erica is around 30 years old, pretty, blonde and comes from Poland. She has a naturally friendly personality and certainly makes your visit very special. No photos on the site but rest assured she is as described.

The Story:

Surprising that this is the first review for Erica, I found her to be wonderful company and very eager to please, and was therefore happy to write her first.

This is the second time I've visited her, which is a recommendation in itself, once again had the popular assisted shower, this can be taken before or after the bedroom activities but I like to take it before.

The shower is a great opportunity to get (re)acquainted, lots of kissing and soapy cuddling, with some OWO. Back in the bedroom Erica suggested a nice back massage for starters, then moved onto the front for some more great oral. Time then to return the complement on her where I was rewarded with two genuine orgasms. Onto the main event, first with her on top, then roles reversed where we finished with mutual climaxes.

No clock watching and no rushing, just a thoroughly enjoyable time with a gorgeous girl.

There will definitely be a next time.
