### The Premises:

Very nice bungalow in a quiet neighbourhood, easy to get to and discrete. I was able to park a few roads away and walk up. The shower was good and worked well.

### The Lady:

Lisa is one of the prettiest girls in the business in my opinion with an immaculate face that I spent a long time absorbing. She is very friendly and her knowledge of the business meant she was able to answer a lot of questions that I had. She is medium height, white, late twenties and lovely long brunette hair. Lisa is medium build, she is not skinny and has curves in the right places. Very cuddlable with gorgeous boobs.

### The Story:

We started with some light kissing and then I spent a lot of time playing with her boobs. I enjoyed slowly taking off her clothes and burying my face in her curves. I then asked if she liked RO and she consented and showed me how she liked it done. I slowly brought her to a climax and this was definitely where I started to learn my own skills as Lisa guided my tongue. Then it was my turn and Lisa popped on a condom and she has an excellent oral technique. I am not quite sure if I understand Lisa's criteria for OWO as I was very clean but it did not matter. Afterwards we did missionary and doggy followed by a hand job and finish. We then did a lot more cuddling and I enjoyed her body to the conclusion of her meet.

A lot of guys on here are all about how many times they can come. I prefer longer meets when I can spend a lot of time exploring the female body. Lisa was more than happy to oblige and I have fantastic memories imprinted on my mind of a wonderful few hours spent together.
