The Lady:

Web site photos accurate, if anything she is even better looking. An Emily Blunt lookalike, and others have said this apparently, not just me!

Gorgeous smallish breasts, just how I like them.

The Story:

Wonderful. From the moment she walked in I was delighted. Felt great hugging her hot body and it was not long before OWO which was great. Great kisser too, DFK. I agree with reviewer 120895 about her performance, came with her on top, such a tight pussy that I didnt last long. Still 15 mins left so had a very good massage, she has very strong hands. Tatiana's English is now very good, had no problem talking with her. Very friendly lady and I will most certainly visit her again. Will try to last longer next time!
