China Rose is located in a terraced house and the facilities were all clean and pleasant.

The Lady:

Kiki, I think that was her name (she spoke hardly any English) was a classic image of the perfect oriental petite with sweet little breasts, cute bum and neatly trimmed below. She claims to be Japanese.

The Story:

I popped off to the bathroom to freshen up having given my gift to Kiki, who handed it on to the maid. When I returned I helped her slip out of her loose fitting sexy dress allowing me to admire her perfect little body. Unfortunately she didn't kiss and the oral was with. She then climbed on board for some very pleasant cowgirl, we then switched to mish, she made all the right noises, without going over the top. I think that she is used to 30 min meetings as it was a little rushed, but having emptied my balls, she gave me a lovely massage. I did have a little communication with her, by speaking into her smartphone which translated into Japanese. I understood that she is off to Walthamstow next week. I would love to see her again, but for some reason these orientals move around on a weekly basis, which for me is a tragedy as when I find a lady who I get on with I would like to visit her again and again.
